

## The Program

ACI Laboratory Technician Certification Program

### Certification Level

Concrete Strength Testing Technician is an individual who has demonstrated the knowledge and ability to properly perform, record, and report the results of four basic ASTM laboratory procedures related to the determination of concrete compressive and flexural strength.

### Scope & Knowledge

The program requires a working knowledge of the following ASTM Standards:

- C617**-Capping Cylindrical Concrete Specimens
- C1231**-Unbonded Caps for Concrete Cylinders
- C39**-Compressive Strength of Cylindrical Concrete Specimens
- C78**-Flexural Strength of Concrete

### Certification Requirements

Certification will be granted to those with 1.) A passing grade on the written examination; and 2.) Successful completion of the performance examination.

The one hour written examination consists of 40 multiple choice questions. There are at least 8 questions on each of the ASTM Standards. To pass the exam you must have: at least 60% correct for each of the required standards, and a minimum score of 70% overall. The performance examination requires demonstration of the required ASTM Standards. Recertification is required every 5 years, and requires completion of the written and performance examinations.

### Study Materials

The Technician Workbook for ACI Certification of Concrete Strength Testing Technician will be distributed the morning of the class.

## How To Register

Complete the enclosed registration form. Payment must be received in order to be registered. No phone or email registrations accepted. If paying by check, make check payable to WRMCA. Mail the form and payment to:

**WRMCA**  
44 E Mifflin Street  
Suite 305  
Madison, WI 53703

Or you can fax your registration form with your credit card number to **608-250-6306**.

### Program Times April 4, 2019

Registration begins at 7:00am  
Lecture begins at 7:30am  
Written exam at 11:00am  
Lunch at 12:00 pm  
Lab Test begins at 1:15 pm

### Cost

**ACI-Strength Testing Technician Training Class** Written and Performance Exams  
WRMCA Member \$405  
Non-Member \$580

### Retest Only

Written or Performance Exams  
Member \$300  
Non-Member \$380

### Deadlines

Class size is *limited* so register today!
