

# WRMCA Statewide Legislative Day

The WRMCA is hosting a statewide legislative day, which is free for all WRMCA members to come together in Madison and meet with your legislators. The goal of this event is to introduce the ready mixed concrete industry to the policy makers of Wisconsin, thereby creating a connection between industry and legislative leaders. Most importantly, the WRMCA would like to have at least one member from each legislative district present at this event, so we can touch each district in Wisconsin with our message of "all things concrete."

**Date:** Wednesday, April 5, 2017

**Location:** Cooper's Tavern,  
20 W Mifflin Street, Madison

**Time:** Registration at 11:30 am  
Luncheon at 12:00 pm  
Hike the Hill to begin at 1:30 pm

The event will begin with a luncheon and legislative update as preparation for the afternoon of "Hiking the Hill" where those in attendance meet with their area legislators in the Capitol.

It is IMPERATIVE that we have a good turn out for this event! While everyone is busy, it is essential that you attend this luncheon to show that as an industry we are working toward positive reform. A large part of advocacy is working with and educating legislators about legislation that affects their constituents, your clients and your profession!

Please complete this form and mail it to WRMCA, 44 East Mifflin Street, Suite 305, Madison, WI 53703. Or complete form and fax to 608-250-6306. Also, please make sure that your home address is included on the form, as that is how we will be matching you to your legislators.
