#### The Program

ACI Laboratory Technician Certification Program

#### **Certification Level**

Concrete Strength Testing Technician is an individual who has demonstrated the knowledge and ability to properly perform, record, and report the results of four basic ASTM laboratory procedures related to the determination of concrete compressive and flexural strength.

## Scope & Knowledge

The program requires a working knowledge of the following ASTM Standards:

C617-Capping Cylindrical Concrete Specimens C1231-Unbonded Caps for Concrete Cylinders C39-Compressive Strength of Cylindrical Concrete Specimens

C78-Flexural Strength of Concrete

## **Certification Requirements**

Certification will be granted to those with

- 1.) A passing grade on the written examination; and
- 2.) Successful completion of the performance examination.

The one hour written examination consists of 40 multiple choice questions. There are at least 8 questions on each of the ASTM Standards. To pass the exam you must have: at least 60% correct for each of the required standards, and a minimum score of 70% overall. The performance examination requires demonstration of the required ASTM Standards. Recertification is required every 5 years, and requires completion of the written and performance examinations.

#### **Study Materials**

The Technician Workbook for ACI Certification of Con- Class size is limited so register today! crete Strength Testing Technician will be distributed the morning of the class.

## **How To Register**

Complete the enclosed registration form. Payment must be received in order to be registered. No phone or email registrations accepted. If paying by check, make check payable to WRMCA. Mail the form and payment to:

#### **WRMCA**

44 E Mifflin Street Suite 305 Madison, WI 53703

Or you can fax your registration form with your credit card number to 608-250-6306.

Website - go to www.wrmca.com for Certification information.

## **Program Times April 19, 2018**

Registration begins at 7:00am Lecture begins at 7:30am Written exam at 11:00am Lunch at 12:00 pm Lab Test begins at 1:15 pm

#### Cost

## **ACI-Strength Testing Technician Training Class** Written and Performance Exams

WRMCA Member \$405

Non-Member \$580

## Retest Only

Written or Performance Exams

Member \$300

Non-Member \$380

#### **Deadlines**
