

Wisconsin Ready Mixed Concrete Association
Member Scholarship

1. This scholarship is established to help support immediate family members of Wisconsin Ready Mixed Concrete Association members who are planning to obtain a degree in a concrete- related curriculum such as the Concrete Industry Management programs offered at South Dakota State University, Middle Tennessee State University, New Jersey Institute of Technology, California State University at Chico and Texas State University. Other eligible programs would include those at Alpena Community College in Michigan and Rhodes State College in Ohio. The Wisconsin Ready Mixed Concrete Association reserves the right to expand the list of schools as programs are developed. The goal of the scholarship program is to seek out and assist students seeking further education to enter the ready-mixed concrete industry.
2. The Wisconsin Ready Mixed Concrete Association will award a \$5,000 scholarship if the winner chooses to go to South Dakota State University, Middle Tennessee State University, New Jersey Institute of Technology, California State University at Chico or Texas State University and enroll in their Concrete Management Program or Alpena Community College in Alpena, Michigan or Rhodes State College in Ohio and enroll in their Concrete Technology Program. A \$2,500 scholarship will be given if the winner plans to enroll in a school of their choice. The scholarship will be sent to the winners chosen school to be divided between the first two consecutive semesters. The student is required to submit a copy of their transcripts from the school each semester to the Wisconsin Ready Mixed Concrete Association to help ensure the student will stay enrolled in the program for at least an entire academic year. The student will be expected to refund the scholarship if he/she does not complete the entire first year course of study.
3. Applications must be received by November 30, 2023, the scholarship being awarded for the 2024-2025 school year. No exceptions will be made.
4. The Scholarship is available to:
 - Residents of Wisconsin and the Upper Peninsula of Michigan
 - Immediate family members of a Producer or Associate member of the Wisconsin Ready Mixed Concrete Association.
5. The winner of the 2024-2025 competition will be announced during the WRMCA's Annual Convention.
6. No person may receive more than one Wisconsin Ready Mixed Concrete

Association scholarship award in her or his lifetime (This provision can be reviewed and overturned by the Wisconsin Ready Mixed Concrete Association Scholarship & Education Committee on a case-by-case basis).

7. Applicant must be an immediate family member of a Wisconsin Ready Mixed Concrete Association member and a member of the senior class, a graduate of a secondary school, or a current college student, including those who are older than high school age desiring to continue their education.
8. Instructions for applying for the Wisconsin Ready Mixed Concrete Association's Membership Scholarship:
 - A. Fill out the application form completely. Use extra paper if necessary.
 - B. Email knovak@wirmca.com OR info@wirmca.com, the following:
