WRMCA 2023
Plant Safety Award Nomination Form

The WRMCA OES Committee is hosting the third annual addition of a safety award program for its membership. The safety award program is established to recognize those individual plant locations that have exceptional safety records. All plants that achieve a record (based on frequency and severity rates) below the industry average will receive a certificate of recognition at the WRMCA annual convention. The plant that has the best record within the nomination category will receive a plaque.

Please complete the information below and return the nomination form by February 15, 2024 to the WRMCA office via email (knovak@wirmca.com).

ALL INFORMATION WILL REMAIN CONFIDENTIAL AND BE DESTROYED AFTER AWARD VERIFICATIONS.
