

# WRMCA LEGISLATIVE DAY

April 23, 2025

Madison

The WRMCA is hosting a statewide legislative day, connecting the ready-mixed concrete industry to the policymakers of Wisconsin. The event will begin with a legislative update as preparation for the “Hiking the Hill” where those in attendance meet with their legislators in the Capitol.

It is IMPERATIVE that we have a good turnout for this event! A large part of advocacy is working with and educating legislators.
