ACI CONCRETE FLATWORK CERTIFICATION
SPONSORED BY WRMCA

Thursday, March 12, 2026 | Registration: 7:30 a.m. | Class begins at 8:00 a.m.
Cost: $450 per person, including the exam and book. Please bring a calculator to class.
Location: Holiday Inn & Suites, 1000 Imperial Avenue, Rothschild

Register: Click here to complete the registration.

Course Outline:
- **Basic Concrete Technology -** Mixing, workability, general site conditions
- **Concrete Materials and Mix Proportioning -** Portland cements, aggregates for concrete, environmental conditions, concrete admixtures
- **Concrete Control Tests -** Testing and quality control
- **Proper Use of Finishing Tools -** Hand and power tools for placement
- **Concrete Placement, Finishing & Jointing -** Finishing techniques, jointing
- **Concrete Curing and Extreme Weather Protection -** Hot weather curing and cold weather protection
- **Problems in Concrete -** Excessive curling, scaling problems, internal/external stress

Recertification: Recertification is necessary every five years and requires successful completion of a written examination OR 10 hours documented continuing education from an approved source.

Certification Requirements:
Associate: ACI will grant certification to those candidates who obtain a passing grade on the written examination. The two-hour written examination is closed-book and consists of approximately 50 multiple-choice questions. The passing grade for the written examination is 70%.

Finisher: ACI will grant certification to those candidates who possess 1,500 hours of actual *on-the-job finishing* experience (approximately one year of regular full-time work) and successfully pass the *performance examination.*

Advanced Finisher: ACI will grant certification to those candidates who obtain a passing grade on the written examination PLUS either - possess 1,500 hours of actual *on-the-job finishing* experience (approximately one year of regular full-time work) AND successfully complete the *performance examination*, ***OR*** possess 4,500 hours of actual *on-the-job finishing* experience (approximately three years of regular full-time work)
